

## **HIGHER SECONDARY EDUCATION**

### **(ARTS)**

#### **OVERVIEW**

Higher Secondary Examination (12th standard examination) is a centralized examination for class 12 students. All the School Education Boards conduct exams during the period of March–April every year for students in their affiliated private and public schools. Higher Secondary Examination of Dr. Abdulkalam Sevak Samaj Council has been designed based on National Education Policy-1986, National Curriculum Framework -2005 and Notification of Home Affairs of Government of India-1952.

#### **CAREER PROSPECTS**

Higher Secondary Education is mandatory and should be passed, if a candidate wants to join a degree course. Our main aim of promoting Higher Secondary Education is to make the students self-sufficient and give them completeness in School Education. We have plans to eradicate school dropouts; students who have experience, but not certification. Our goal is to make them gain basic knowledge which would be helpful in their day-to-day activities and also in their jobs and promotions.

Arts group is meant for students who wish to pursue a career in art-oriented fields like Economics, History or Languages like English. Since, some of the jobs just require a pass in 12<sup>th</sup> Standard, it will be helpful for students who seek a good private job with basic qualification. Also, this course will be helpful to study further in certain Universities in Distance Mode.

#### **DISCLAIMER**

We do not guarantee any Government job or further admission to any Regular School or College. We provide this course, only for the purpose of gaining knowledge and for the purpose of obtaining eligibility to join Open and Distance Education Programmes of Dr. Abdulkalam Sevak Samaj Council for

Open and Distance Learning. If anybody gives false promises, you are requested not to believe those words and are requested to call us and ascertain about the original motive of promoting Secondary Education. In case of disputes arising out of eligibility and approvals criteria, all disputes will be settled under Chennai Jurisdiction only.

**DURATION:** 1 YEAR

**ELIGIBILITY:** A Pass in 10th Class (or) A Pass in 11th Class / Age Should be 16 Years.

**FEE:**

**REGISTRATION FEE:** INR 1,000

And

**COURSE FEE:** INR 4,000 per annum

## **HIGHER SECONDARY EDUCATION**

### **(GENERAL MACHINIST)**

#### **FOUNDATION**

The Department of School Education and Literacy, a department under Ministry of Human Resource Development, Government of India has introduced Vocationalisation of Secondary and Higher Secondary Education and has already been subsumed in Rashtriya Madhyamik Shiksha Abhiyan Scheme with effect from 01-04-2013. The National Vocational Education Qualifications Framework (NVEQF) is a descriptive Framework that organizes qualifications according to a series of levels of knowledge along with skills. These levels are defined in terms of learning outcomes i.e. the competencies which a learner must possess regardless of whether they were acquired through formal, non-formal or informal education and training.

#### **OVERVIEW**

General Machinist incorporates Engineering Drawing, Workshop Engineering, theoretical part of General Machinist. It also consists of Filing Work, Lathe Work and Fitting Work. The different subjects like lathe, drilling machine, shaping machine, milling machine, the various equipments, welding, and maintenance prepare the students for a professional career in the Engineering sector. Vocational education endeavours to prepare skilled persons for identified vocations/trades as per demand of emerging economy, industry/ employers in various trades, which would include both the organized and un-organized sectors.

#### **CAREER PROSPECTS**

Machinists and tool and die makers set up and operate a variety of computer-controlled and mechanically-controlled machine tools to produce precision metal parts, instruments, and tools. Machinists and tool and die makers work in machine shops, tool rooms and factories. Workers with computer skills who can perform multiple tasks in a machine shop will have the best job opportunities.
